About us

Mahdish designer is the brand name with passionate of two lovers name combination for the aim of outsource the love they have into fashion especially in modernized African styles.

The brand was launched in April 2014 with a unique concept of delivering local and international African fashion.

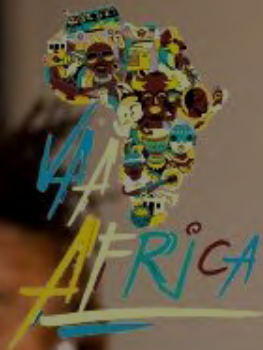

This portfolio illustrates the kind of work I have been engaged with.

Vision

To create a truly global brand that provides growth opportunities for the company and its employees, whilst achieving its goal of becoming the number one value fashion brand across the Middle East & Africa.

Mission

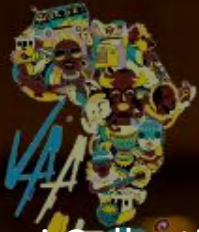

- Provide fashionable products at affordable prices.
- Be innovative, cost effective and globally competitive.
- Exceed our customer's expectations.
- Provide opportunities of growth for upcoming designers.

This year we introduced our first collection (nyosi collection) after getting experience on the field like two years back since we get an idea and build Mahdish as a brand.
